Portfolio: [augustines.vercel.app](https://augustines.vercel.app)

## Professional Summary

Detail-oriented Frontend Engineer with 3 years of experience building secure, responsive, and scalable web applications using React, Redux, and Next.js. Proficient in JavaScript/TypeScript, Tailwind CSS, and modern build tools, with a deep understanding of the DOM and UI/UX principles. Experienced in translating business and design requirements into high-performance financial interfaces, optimizing frontend performance, and collaborating closely with cross-functional teams. Passionate about fintech innovation, security best practices, and staying current with emerging frontend technologies.

## Skills

- **Markup & Styling:** HTML, CSS
- **Languages:** JavaScript, TypeScript
- **Frameworks & Libraries:** React.js, Next.js, TailwindCSS
- **Tools & Technologies:** Git, REST APIs, npm, yarn, Postman
- **Concepts:** Responsive Design, Cross-Browser Compatibility, Performance Optimization

## Work Experience

**Frontend Developer** | Freelance | 2023 – Present

Key Contributions:

- Developed responsive UIs with React.js and Next.js, increasing user engagement by 25%.
- Boosted development efficiency by 20% through reusable UI components and optimized workflows.
- Collaborated with design and backend teams to deliver seamless, user-centered results.

**IT Support Specialist** | Air Peace Limited | Sept 2019 – Jan 2023

Key Contributions:

- Provided pre-flight software support to ensure B777 system readiness and navigation accuracy.
- Maintained integrity and accessibility of digital flight data and EFB content for flight crews.
- Collaborated with IT teams to ensure reliable network access for pilot digital resources.

## Projects

**Tech Care** | Passion Project

[Checkout project](#)

- Built a healthcare dashboard with dynamic chart range selection, infinite scroll news feed, and diagnostic list using Next.js, Tailwind CSS, Zustand, and Axios.
- Structured the codebase with modular API services and applied responsive design for seamless, cross-device performance.

**Portfolio Website** | Passion Project

[Checkout project](#)

- Designed a clean, responsive UI with intuitive routing and smooth navigation.
- Built a contemporary portfolio with Next.js and Tailwind CSS, applying SEO and accessibility best practices for broader reach and usability.

## Education

**Higher National Diploma in Mechanical Engineering** | Yaba College of Technology

## Certifications

- **Meta Frontend Developer Professional Certificate** | Coursera
- **Responsive Web Design Certification** | FreeCodeCamp
